SUMMARY

Creative and detail-oriented Fine Arts graduate with a strong foundation in visual arts and artistic expression. Skilled in oil painting, sketching, and watercolor techniques, with the ability to transform concepts into compelling artworks. Passionate about exploring diverse artistic styles and committed to producing high-quality creative work.

WORK EXPERIENCE

Group Art Project – Mindscape (Mixed Media) Jan 2026

- Created a collaborative mixed media artwork using charcoal, watercolor, acrylics, markers, pastel colors, and collage techniques.
- Focused on abstract concept development and visual storytelling.
- Combined different textures and styles to create a unified visual composition.

Final Year Thesis – Inward Skies Jun– 2026

- Created a 6-canvas series exploring internal emotional states using monochrome and expressive color techniques.
- Inspired by Van Gogh, Hockney, and Mondrian, combining emotional expression with structured abstraction.
- Presented in final year thesis exhibition.

The Citizen Foundation Ambassador– Career Outreach Program 2024 – Present

- Outreach Ambassador conducting career guidance sessions for school students, helping them explore career options, select fields of interest and secure scholarships.
